## **Ford tractors and the Ford farm tractors history**

It was during this period, from 1928-1939, that Ford lost their dominance of the American tractor market. Owing to the higher cost of importing Ford farm tractors from Ireland, and then Britain, and to the development of newer models by American competitors that made the Fordson look obsolete, Ford's market share slipped, eventually to a low of five percent.

## **Antique & Vintage Equipment Parts for sale | eBay**

OEM - An OEM part is a repair part from the original equipment manufacturer. The part comes from the same factory, with the same material, and set to the same specifications as the original. Aftermarket - Aftermarket parts are items that come from a third-party company. The material and specifications may be different, so the fit may not be proper.
