The Rumi Daybook-Kabir Helminski 2011-11-22 "My heart wandered through the world constantly seeking after my cure, but the sweet and delicious water of life had to break through the granite of my heart." When the words of Rumi enter your heart, something softens, breaks, and is subtly reborn. That he wrote the words seven hundred years ago in a medieval Persian world that bears little resemblance to ours makes their uncanny resonance to us today just that much more remarkable. Here is a treasury of daily wisdom from this most beloved of all the Sufi masters—both his prose and his ecstatic poetry—that you can use to start every day for a year, or that you can dip into for inspiration any time you need to break through the granite of your heart.

Amy's Disappearing Pickle-Elizabeth Crary 2000-10 Someone is stealing the delicious pickles from Amy's lunch day after day. How can Amy find out who is taking the pickle and stop it? This easy-to-read book is designed to teach children, especially those between ages 4 and 10 years, how to identify problems, brainstorm options, think through the possible outcome of each option and finally, to select and implement a solution. With these problem-solving skills, kids are better prepared to cope with every kind of concern. Frustration and disappointment won't go away, but research shows that children will be less likely to respond with angry outbursts. They will be more confident and better prepared to handle the variety of problems they will face as they mature. Written in the "you-choose-what-happens-next" format.

Aggressor-Andy McNab 2021-01-26 Former covert operator Nick Stone seems to be living his dream in book eight of the best-selling series - not a care in the world as he steers his camper van around the surfing and parachuting paradise of Australia. But when he sees a news report of the massacre of women and children in a terrorist outrage on the other side of the world, long-suppressed memories are triggered, and Nick knows he must risk everything to repay a longstanding debt of friendship. As events unfold in the teeming streets of modern Istanbul and the bleak, medieval villages of Georgia, Nick finds himself catapulted once more into the murky, clandestine world he thought he'd left behind - a world in the grip of nameless enemies who linger in the shadows, and stalk the corridors of power...

Filthy Rich Clients-Chet Haase 2007-08-09 Filthy Rich Clients refers to ultra-graphically rich applications that ooze cool. They suck the user in from the outset and hang on to them with a death grip of excitement. Filthy Rich Clients: Developing Animated and Graphical Effects for Desktop Java™ Applications shows you how to build better, more effective, cooler desktop applications that intensify the user experience. The keys to Filthy Rich Clients are graphical and animated effects. These kinds of effects provide ways of enhancing the user experience of the application through more attractive GUIs, dynamic effects that give your application a pulse, and animated transitions that keep your user connected to the logical flow of the application. The book also discusses how to do so effectively, making sure to enrich applications in sensible ways. In-depth coverage includes Graphics and GUI fundamentals: Dig deep into the internals of how Swing and Java 2D work together to display GUI applications onscreen. Learn how to maximize the flexibility of these libraries and use them most effectively. Performance: Follow in-depth discussions and tips throughout the book that will help you write high-performing GUI applications. Images: Understand how images are created and used to make better Java applications. Advanced graphics: Learn more about elements of Swing and Java 2D that are of particular benefit to Filthy Rich Clients. Animation: Discover general concepts of animation, as well as how to use the facilities provided in the Java platform. Learn new utility libraries that vastly simplify animations in Java. Effects: Learn how to create, customize, and use static and animated effects—the mainstays of Filthy Rich Clients. Code examples illustrate key concepts, and the book's companion Web site, <http://filthyrichclients.org>, includes extensive demos, utility libraries, additional information on related technologies, and more. Informal, fun, and, most of all, useful, this book is great for any developer working with Java to build desktop applications.

Larkin's Letters-Jax Jillian 2015-12 "I left you something on the nightstand," she said. "You did? What is it?" "Just turn over and look," she pleaded. He turned over to look, hesitantly, not wanting to look away from her. She always seemed to disappear every time he looked away. A manila envelope lay atop the white rustic nightstand and the word "Ryan" that was penned across the front was beckoning him. He glared at the envelope for just a moment before turning back to her. But she was gone. As Ryan Boone struggles to come to grips with not being able to keep a promise he made to his dying wife, Larkin's Letters propels readers into the mind of Ryan as he struggles with frequent visits from her ghost and a series of letters she leaves behind. Ryan worked hard to become one of Hollywood's most sought-after actors, but no matter how busy or famous he became, he always remained loyal to his childhood best friend, Larkin James. When Larkin is diagnosed with leukemia, Ryan sacrifices his career to be by her side and in turn realizes how much he had always loved her. Throughout Larkin's sickness, Ryan promised that he wouldn't let her die alone. But we learn that not all of our promises are within our control.

Silver Vengeance-Kasey Shoemaker 2011-07-05 Were-witches. These hybrid creatures stalk the earth with the raw, primal power of the werewolf and the cunning, dark magic of the witch. They're deadly hunters with the capability for both bloodthirsty vengeance and an unwavering loyalty to their own. Gabrielle Gayle is an ambitious chef in one of New Haven's trendiest restaurants. Her concerns consist of getting ahead in her career, dodging barbed insults from her sharp-tongued mother, and dealing with the nagging certainty that she has always had powers. However, when the Clan of were-witches seeks revenge for her mother murdering one of their own, she and her sister are brutally attacked. With nowhere else to go, she turns to Nick, a Hunter of witches, werewolves, demons, and any combination thereof. However, Gabrielle learns that she has much more in common with the Clan than she ever imagined. And, in order to save herself and her family from being destroyed, she must embrace her powers and become the very creature she fears the most.

Tarot Made Easy-Nancy Garen 2001-07-18 If you've ever been intrigued by the tarot but were confounded by the complexities of multi-card spreads and the vague interpretations given in most books, this is the guide for you. Here is a real breakthrough in interpreting the tarot! With Tarot Made Easy you can easily interpret the meaning of any card and apply it to the particular circumstances of your life. With the simple process outlined here, you need only choose one tarot card and then consult one (or several) of the 32 categories listed under each card -- including Romance, Travel, Career, Finances, Friends, and Special Guidance -- to discover the card's specific message for you. For example, if you want to know about your romantic future and the Queen of Cups turns up, you may find that the standard description given is "an honest, devoted woman; loving intelligence and happiness." How should you interpret this? But with Tarot Made Easy, the Queen of Cups Romance category tells you that "someone will enter your life in whom you will be very interested...and you will meet this person very close to your home, if not outside your front door." This easy but accurate system banishes the vague interpretations found in most books and gives you the immediate, specific insights you need.

A Wedded Arrangement-Noelle Adams 2019-10-23 With three months remaining of her marriage of convenience, Savannah is ready to say goodbye to her spoiled rich boy of a husband. He's annoying and argumentative and used to always getting his way. Sure, he's hot. And maybe occasionally a little bit sweet. But she doesn't want to stay married to him. Not at all. He needed a wife for a year so he could inherit his grandmother's fortune, and she needed to pay off her family's debts. That's all their marriage has ever been about. So she really needs to stop falling into bed with him.

The game changes, however, when Mr. Right appears on the scene. But just as Madison is about to follow her heart, her life turns upside down, forcing her to learn a whole new set of rules about love, loss, and trust.

BMW Boxer Twins-Ian Falloon 2004 For nearly 80 years, shaft-drive boxer twins have traditionally formed the backbone of the BMW motorcycle line-up. For many enthusiasts of the Bavarian marque the classic BMW twin was the R90S of 1973-76. Over the decades, successive generations of durable machines - including the R100S, fully-faired R100RS, four-cylinder K-series, high-performance R1100RS and an entire family of touring and sporting models ranging from 850 to 1200cc - would ensure the BMW boxer twins a place in the Haynes "Great Bikes" series. This book covers: historical context, racing, the wartime R75 and R69S; the "75" series which enabled BMW to compete with the high-performance Japanese machines; the R90S, the "76" and Superbike performance; the R100RS, the "77" and the touring R100RT; smaller twins, smaller potential; the R89G/S, including a Paris-Dakar version; rationalization of the boxer range, and the new twins that included four-valve heads and electronic engine management; and technical specifications from 1969 to 2003.
