One day, Erik notices a human named Steve building the most wonderful house that Erik has ever seen! Erik decides that he wants to build a house too! Erik doesn't realize how hard it is to build something by yourself until it is too late. He starts stealing from Steve's house, but it's not long before he gets caught. Erik needs to fight for his life in this exciting story. Many obstacles come his way like fighting Steve, fighting other Endermen, and even just struggling to build the house of his dreams. Erik's life is full of action and even some adventure as he keeps stealing and building. Sometimes it's hard to be a block thief, but Erik is able to manage. However, Erik does learn a powerful lesson about what it takes to build the best house possible, and that you cannot do it alone. You get an inner work into Erik Enderman's mind as you read his diary. Join Erik Enderman as he tries his best to make the coolest building in all of Overworld in the Diary of Erik Enderman: Block Thief. Book 2: Adventures with Steve Erik Enderman is back in this sequel of his diary. In the last diary he learned the meaning of hard work and how valuable some blocks really are. In this sequel, Erik is ready to improve his house. He recruits Steve to go on a series of adventures with him. What is meant to be a small mission to get some rarer materials for his house turns into many action-packed events. Erik and Steve must team up to fight many mobs that want to cause them harm and steal their new supplies. The question still remains, will Erik be able to get home safely with the new materials that he is risking his life for? Will others be impressed or influenced by Erik and Steve's actions or will they go home without an ounce of fame to their names? As Erik and Steve go on terrifying adventures they may even find something more exciting than what they were looking for in the first place. Friendship, mobs, and even rare gems play a large part in the story of Erik Enderman. Erik's diary is like reading straight into his mind and looking through his eyes to understand everything going on in Overworld. You can read all about Erik and Steve's great time in Diary of Erik Enderman 2: Adventures with Steve. Book 3: The Legend of the Endermen's Treasure Erik Enderman embarks on his third adventure in this story, Erik Endermen 3: Legend of the Endermen's Treasure. In the past Erik has been focused on stealing blocks, making buildings, and selling things made out of gems in his shop that he has opened with Steve. The gem shop is booming! It might be going a little too well though. When Erik and Steve run out of gems they need to find a way to get more of them. That's when Erik stumbles across an ancient Endermen legend. Clues are hidden everywhere and challenges are at every twist and turn in their journey. Erik and Steve must team up once more to try to find the hidden treasure of the Endermen. Erik and Steve will come across mobs that they have never fought together before. They will explore new areas of Overworld and the home of all of the ancient Endermen. Will the mobs try to help him or will they only get in their way? Will they be able to do it, or will they be defeated along the way? Is the legend just a myth, or will Steve and Erik be richer than they have ever dreamed they would be? All of these questions will be answered in the third volume of Erik Enderman's diary. **Terrors of the Forest**-Mark Cheverton 2017-03-14 Gameknight999 reenters Minecraft to find it completely changed. There are new monsters that he's never seen before: giants and skeleton druids and pinch beetles and king spiders and mistwolves. Villages are larger than ever, and more heavily fortified; Minecraft had become much more dangerous. Even the very trees had changed, with some of them reaching up taller than the User-that-is-not-a-user ever thought was imaginable. There's a diamond block portal outside of Crafter's village, and rumors are spreading that a strange user was seen coming out of the portal with a young boy, before they disappeared into another portal, leaving behind a square hole one block deep with a ring of flowers around it. Gameknight recognizes it as the portal to reach the Twilight Forest mod. But how can there be mods here in the vanilla Minecraft? The User-that-is-not-a-user follows the trail, and finds odd mentions of "303" and "White Castle." But what do the clues mean? Just how dangerous is this new user to Minecraft, and where is he taking the young NPC? Only Gameknight999 will be able to find out. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

**Diary of a Mighty Ender Dragon Trilogy (an Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen)**-Mark Mulle 2016-01-31 GENRE: Children's Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) Book 1: A Dragon in the Overworld The Ender Dragon is known as the fearless creature that inhabits the deep and dark world of The End. But what most players may not know is that the Dragon lives a very lonely and boring life in his realm. After anxiously waiting for any player to come and face him in a final battle, the Dragon got tired and asked for his friends, the Endermen, to check the Overworld for him and see what the players were doing. To his surprise, the Endermen returned without any information on the players - in fact, the Endermen told the Dragon the players had disappeared from the Overworld. Desperate with this new revelation, the Dragon decided to go to the Overworld himself to check things and find the missing players - and even save them, in case they were in trouble, so that they could one day battle against the Dragon. After getting teleported to the Overworld with some help from his fellow friends Endermen, the Dragon is now on a quest where the regular roles have been inverted - it's the Dragon who is looking for the players, and not the other way around. What happened to the humans from this world? What led to their disappearance? And who is behind it? Book 2: The Reverse Dragon The mighty Ender Dragon left The End after being teleported by his friends, the Endermen. He set off on a mission to look for the location of the players, after hearing from his Endermen that the players had suddenly disappeared. In his journey in the Overworld, the Dragon met two humans, Jack and Anna. The couple agreed to help the Dragon in finding the remaining survivors, and on their brave mission they found a mysterious Witch who possessed an amazing ability: the power to predict the future. With this ability, the Witch foresaw the human's location, but she was not able to tell with certainty where they were. The Dragon and his two human friends managed to solve the riddle and found the human's location: the Nether. After successfully saving the humans and returning to the Overworld, the Dragon was shocked with a revelation: there was a second Dragon in the world, and he was being helped by a group of Endermen. Now, the Ender Dragon will need the help from Anna and Jack once again, and even the survivors will have to lend them a hand in their new quest. They need to find out why there is another Dragon in the world. Why did he take the humans to the Nether with the help of the Endermen? What are his plans? And why does he exist after all? Book 3: Dragon Versus Dragon Anna, Jack, the survivors and the Ender Dragon are in deep trouble. After setting out on their quest to find the Reverse Dragon and his Endermen, they discovered more about his malefic plans: the Reverse Dragon is after secret ingredients which are scattered all over the world. These ingredients form the Uncraftable Potion, a powerful and unique item that can grant its holder fantastic powers. With this potion, the Reverse Dragon could finally defeat the Ender Dragon, becoming the only Dragon of the world and getting rid of all remaining creatures. The Reverse Dragon managed to capture the Witch and she was forced to show him the exact location of the first ingredient. Now, the Reverse Dragon is looking for the remaining two ingredients, which can only be found by their own guards, who are the two other Witches. What kind of magical powers do the other Witches possess? What can one achieve with the Uncraftable Potion? And what will be of the world if the Reverse Dragon puts his paws on it? At this point, a battle between the two Dragons is inevitable, and the winner will be defined by the one who gets to the potion first. Author's Note: This short story is for your reading pleasure. **Diary of an Adventurous Noob Trilogy (an Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen)**-Mark Mulle 2016-01-19 GENRE: Children's Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) Book 1: Steve and Alex Search for the Stronghold The Village is still under attack by Zombie Pigmen! It's up to Steve and Alex to stop them, but how? Steve has a crazy idea that just might work, but he needs obsidian, first. That stuff is hard to find, though, so he comes up with an even crazier idea-to look for Herobrine. It's the last thing he ever thought he'd do, but he needs lava in order to make obsidian and Herobrine just may be the one to help him. Once Steve has enough obsidian to build a protective wall around the Village, he and Alex go searching for the Stronghold. It's an adventure that leads them far, far away where they find more interesting things to explore. At the Stronghold, Steve and Alex see their crazy plan through, but it only makes Steve curious about the End. He knows he can't go there just yet. Can Steve and Alex save the Village? Will Steve's plan work? Their adventures can only make them better players in this Blocky Universe. Book 2: Steve and Alex Take on Ocean Monument Steve and Alex go on a long adventure to explore the Ocean Monument, but something strange is happening. Endermen, hundreds of them, are all heading towards the ocean. Endermen hate water! It's up to Steve and Alex to find out what's going on. There's Endermen in the Nether, too, Steve discovers, and hardly any Zombie Pigmen to be found anywhere. Is this a good thing, or just another clue to figuring out this crazy Blocky Universe? When Steve and Alex follow the Endermen back to the Stronghold, Steve starts to see how everything is connected-the Stronghold, the Ocean Monument, the Nether-and they learn about Pigmen, an ancient Blocky World race that no longer exists. It's always interesting when Steve and Alex try to figure stuff out. Figuring out this Blocky Universe may prove to be their biggest challenge yet. Book 3: Steve and Alex Unleash the Wither Steve has decided he's ready to go to the End, but doesn't want to take the risk of going there while the Endermen and the Zombie Pigmen are fighting a war. While he waits, he decides he needs a challenge, something to sharpen his skills. His idea materializes when Alex shows him an ancient recipe book for mobs that they brought back from the Stronghold. Alex is fascinated with this old book, but can't decipher the symbols. After several days of studying it, she concludes that the book was written by ancient Pigmen who became extinct because they unleashed mobs that they lost control over. Are they about to do the very same thing? Steve is determined to the point of cockiness to defeat this unidentified mob, even though he doesn't know what kind of mob it is or what it does. His end goal is to get to the End, and in his mind, this is the quickest way there. Has his desire to reach the End caused him to make a terrible mistake? **Diary of a Zombie Villager Trilogy (an Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen)**-Mark Mulle 2015-12-09 GENRE: Children's Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) Book 1: Show Me How to Zombie What to do when you don't know how to be a zombie in the world of blocks? Is there a course somewhere in the woods that can teach me how to zombie? I don't think so. Although, I am a fast learner as I already understand a couple of words in zombie. I think I can understand Skeletons as well. I would prefer to be a simple villager and working in the garden, which again reminds me how hungry I am, but there is no coming back as I am a ZOMBIE villager now. Luckily I've made a new friend, Chopper, and he's been a zombie for his entire life so there are lots of things I can learn from him, including what a zombie community is. Hopefully, I will learn how to be a proper zombie! Book 2: In Search of the Zombie Community I thought I'd learn how to be a zombie fast and promptly without any complications - I was wrong! I couldn't believe that there are so many creatures that would, purposely or not, make my zombie lessons more difficult. The villagers for one are indeed unpredictable. They are trying to track us (My zombie friend Chopper and I) down and I overheard the villager talking about using potions on me. WE aren't that fast, but we know a couple of tricks on how to hide well. We are still on the search for a zombie community where we could be safe. We have lost Thor and the rest of the zombie crew that was supposed to show us the way. Join us on our journey as we find the rest of our friends and travel to the zombie community without running into the villagers!!! Book 3: Zombie or Villager? It seems like we are always on the run. Villagers gave themselves every right to chase anything and everything and even throwing things at us! There are some potions involved, too. I know those bottles they are carrying contain potions because I used to be a villager and as I am learning how to zombie I still remember some practical things from my life as a villager. The villagers are right behind us and I can see a bottle flying towards me. I wonder what the potion is for. Chopper, Thor, Barnaby and I are trying to find the rest of our company, also trying to end our journey by determining whether we are tricked into thinking that there was such thing as a zombie community where we could be safe and live in peace. Whoa! I got to go! I can hear the villagers coming. Author's Note: These short stories are for your reading pleasure. **A Zombie Middle School Diary Trilogy (an Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen)**-Mark Mulle 2016-11-01 GENRE: Children's Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) Book 4: My Home Economics Teacher Is a Pigman My name is Ugh, and I'm just about to start my first year of middle school. This summer I had to go through some crazy summer school classes to even get to middle school. I don't exactly have the best reputation for showing up to class, which is how I got into that situation in the first place. This school year I'm going to work harder to do well in my classes, and to show up to them in general. Even though I don't plan on skipping every other class that I have, I still think that this school year is going to be crazy. I mean, I am going to a school full of monsters for teachers and students. Four of my best friends will be there to join me in everything that happens: Tibby, Snow, Will, and Grunt. I'm sure that we can do whatever we set our minds to when we stick together. I can't help but wonder what types of monsters I'll run into at my new middle school. All I know for sure is that I'll have a great time no matter what comes at me! Book 5: My English Substitute Teacher My name is Ugh, and I've just finished my first month of middle school. All of my summer school training couldn't prepare me for what I had to deal with. I had even more crazy teachers, including my home economics teacher, Mr. Nocab, who actually turned out to be a lot cooler than I would have expected. My friends are also the coolest people around. They are Tibby, Grunt, Will, and Snow. I had a lot of fun with them since I met them, and I'm sure that I'll have a lot of fun this month, too! One thing that I'm not looking forward to is a new substitute teacher that I heard about. He's going to be teaching for a whole month because our normal teacher is having a baby. He's a super old Zombie who I heard is really strict. I really doubt that he's going to make our English class super exciting. If it really stinks I might have to go back to my old ways of skipping class, but that's how I ended up in summer school last time, so I'll try my best to be cool and stay in class, but only if the teacher tries his best to be cool, too. I guess even if class is lame I'll have a lot of other cool stuff to do. Tibby just introduced me to one of her friends, so maybe I'll hang out with him sometime. This month already seems crazy, especially with Halloween and the school play coming up. There's so much going on, I just hope there's enough room in my diary to write all about it! Book 6: My Woodshop Teacher Is an Enderman My name is Ugh. I'm a Zombie and I go to an all-monster's middle school. It's actually my first year of middle school. Man, did I have to do a lot of hard work to even get into middle school, but that's a story for an older diary. Anyway, I heard that something exciting is going to happen this month. A guest presenter is going to come to school to teach a woodshop class. I think I'm going to join, but I'm going to wait until after the presentation to decide. I also want some of my friends to join. Grunt is my best friend. We get in a lot of trouble together, but that's what makes us such good friends. Tibby and Will are also great friends. I met them in a gym class last summer and we hang out a lot now. Snow is...I don't know how to describe her. I have a crush on her right now. I need to decide what to do about that, and fast! This month is going to be crazy, I just know it! I just hope that my friends and I can keep up! Author's Note: This short story is for your reading pleasure. **The Prankster Diaries Trilogy (an Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen))-**Mark Mulle 2016-10-15 GENRE: Children's Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) Book 1: Jokes on the Jokester Clyde is what some would call a class clown, prankster, or jokester. Ever since he can remember all he has loved doing is pranking other people in their Minecraft Village. There's just a certain thrill that comes with watching a well-planned prank finally play out. There's nothing more satisfying than seeing a water balloon splash on someone's head, or hearing an adult sit on a whoopee cushion. With all of the fun he's been having, and with how long his pranking streak has been going, Clyde never expected that one of his pranks would backfire. What Clyde failed to learn before now was--you need to be careful who you try to prank especially if that person happens to be a witch. This small flaw could cause Clyde's biggest problem. Will Clyde's joking nature be his biggest downfall, or will he be able to trick his way out of every sticky situation that comes his way? All of these details and more are only included in Clyde's diary, Jokes on the Jokester. Book 2: The Jokester Strikes Back In his last adventure, Clyde walked around like he was the coolest guy in the village. He pranked everything and everyone that got in his way. There were even a few cows that got the rough end of a joke. However, Clyde's jokester ways got the better of him. One day, a so-called friend, Ron, decided to do a little pranking to get revenge on Clyde. One crazy adventure later, Clyde had been turned into a shape-shifter by a witch he had pranked. Now he must figure out how to deal with his new forms. Clyde wants to turn back into a normal human, but he can't pass up the opportunity to prank the other villagers while he's in the form of an animal or a monster. Clyde's jokester ways got him in trouble as a human, but will it get him in trouble as a shape shifter? Find out in The Jokester Strikes Back. Book 3: The Jokester's Partner in Crime Clyde is back in his last adventure The Jokester gets a Partner in Crime. Clyde thought that he was the coolest of the cool, the best of the best, but one day someone wanted to teach him a lesson. Set up by someone who he thought was his friend, Clyde was turned into a shapeshifter by an angry witch. Since then, Clyde has learned how to control his powers, but he still wanted to turn back into a human. There was only one person who could help him, the very same person who got him into this mess in the first place, Ron. After pranking him pretty hard, and showing him some of the dangers of being a shapeshifter, Clyde got Ron to agree to help him to turn back into a human. The only question now is, will Ron be able to do it? Author's Note: This short story is for your reading pleasure. **Card Tricks-**Jeremy DeVinney 2020-12-12 What is a self-working card trick? A trick that does not depend upon legerdemain or special abilities on the part of the magician, but a trick that works automatically because of the mathematics inherent in the card deck itself. Long practice and supernatural dexterity are not needed to perform these tricks, yet they are often among the most entertaining and most spectacular of all card tricks. Some of these sure-fire tricks are simple, a good place to begin. Others were specially adapted from professional routines and are here presented for the first time for amateurs. Almost all of these tricks can be worked informally, with a borrowed deck of cards. Some also adapt to stage presentation. Individual tricks in this book have sold for more than the price of the entire book. Amateurs can use them to get a start in magic and to feel, at once, the rewards of giving a professional performance.
