The Comedy Film Nerds Guide to Movies-Graham Elwood 2012-06-01 A movie guide for film and comedy fans, by filmmakers and comedians, for the movie lover with a good sense of humor. Tired of the usual boring, dry movie discussion? The Comedy Film Nerds Guide to Movies is something new. Is it serious movie discussion? Is it funny? Do the writers know what the hell they are talking about? Yes, yes, yes, and yes. Okay, that’s too many yes’s, but you get the point. Graham Elwood and Chris Mancini, both professional filmmakers and comedians, created comedyfilmerds.com to mind meld the idea of real movie talk and real funny. And they called in all of their professionally funny and filmy friends to help them. Comedians and writers who have been on everything from the Tonight Show to their own comedy specials tell you what’s what about their favorite film genres. While The Comedy Film Nerds Guide to Movies is funny and informative, each genre is given a personal touch. All of the Comedy Film Nerds have a love of film and a personal connection to each genre. Read about a love of film from an insider’s perspective. The Comedy Film Nerds Guide to Movies brings what has been missing from movie discussion for too long: a healthy dose of humor.

The Global Manager's Guide to Living and Working Abroad: Eastern Europe and Asia-Mercer Human Res Consulting, Inc. 2009-05-14 Living and working abroad. Sounds glamorous—and maybe it is, if you’re posted to Hong Kong or Sydney. But what if your company sends you to Bangkok, Warsaw, or Manila? Many questions arise: Is it safe to go out at night? Do quality schools exist? How polluted is the air? Is public transportation handy? What's the average monthly rent for a decent house? What inoculations should you get before you go? Can you find your favorite brand of toothpaste? The Global Manager's Guide to Living and Working Abroad: Eastern Europe and Asia answers these and many other questions expats will have about the cities that companies send employees to most often in Eastern Europe and Asia, as well as Australia, New Zealand, and South Africa. Though the heart of the book is the city-by-city listing, it also includes tips on preparing for the move, dealing with culture shock, staying connected to the home front, understanding the psychological aspects of living abroad, country-specific business and social etiquette, and other topics of concern to workers sent abroad. The guide also includes information for corporate HR people: When a cost of living differential is appropriate and how to calculate it, how to obtain necessary work permits and visas, how to help employees stay as safe and secure as possible, and how to arrange for healthcare and insurance. Best of all, the information is up to date and comes right from the fresh research of Mercer—the consultancy many other companies turn to for advice and the latest facts regarding working and living conditions in all corners of the globe. That's why this book will help expatriate employees feel at home in cities far from their native land whether it's Seoul, Moscow, or Dubai.

The Magic City Captured by Miami Vice, Scarface, Movies, and Burn Notice a guide to 80s Locations and Culture-Col James Staubach, US Army Retired 2015-04-20 This illustrated guide is unique. Fans of Miami Vice, Scarface, Burn Notice, and 80s Miami movies will appreciate it. The guide will also interest students of Miami history and Art Deco as well as those nostalgic about Miami in the 80s. It explains for the first time that these shows are really a time capsule of long gone Miami scenes. They serve as a record of when Miami was 1980s America on steroids. Burn Notice, an innovative show in its own right, followed Miami Vice's lead. When compared to similar scenes from Vice, recent TV shows reveal the distinctiveness of the 80s. These TV shows also provide a window into today's Miami. The guide shows where views of long gone iconic locations and typical Miami scenes can be found on the DVDs. The value of Miami Vice to South Florida is explained. Personal observations are provided by the author who lived there during the Vice years. All music played on Miami Vice is listed as well as key locations in all Vice, movies, and recent TV episodes.
